Chapter 13
Hon. Daniel S. Opperman

Debtor's Chapter 13 Confirmation Hearing Statement

[To be completed fully; otherwise the case will be dismissed per paragraph 3 of the Chapter 13 Case Management Order]

At the next confirmation hearing in this case, the debtor intends to: [Check ONE of the following]

1. Request confirmation of the debtor's plan, because all timely objections of creditors and the trustee have been resolved. I have emailed to the trustee a proposed order confirming the plan, as required in paragraph 2 of the Chapter 13 Case Management Order.
2. Request confirmation of the debtor's plan, even though all timely objections have not been resolved. I have emailed to the trustee a proposed order confirming the plan, as required in paragraph 2 of the Chapter 13 Case Management Order. The parties are at an impasse in attempting to resolve these objections despite all reasonable efforts. The following are: (a) the parties whose timely objections have not been resolved; (b) their unresolved objections; and (c) the legal and factual issues that must be resolved by the Court in connection with confirmation:

Trustee Objections: Debt caps exceeded, taxes included into plan payment
Creditor Objections: Currie Trust; have filed non-dischargeability action that will affect Plan and case
Creditor Objections:
Issues:

3. Request an adjournment of the confirmation hearing to June 21, 2011, due to the following good cause: Creditor Curie Trust has recently filed an adversary proceeding seeking non-dischargeability. The outcome of this action will affect the case and the Plan. Additionally discovery is outstanding.
4. Dismiss the case. [The Court will enter an order of dismissal and the case will be removed from the docket.]
5. Convert the case to chapter 7. [The Court will enter an order of conversion to chapter 7 and the case will be removed from the docket.]
6. Re-convert the case to chapter 7. [The case will remain on the docket and parties will have an opportunity to be heard.]
